

## Mobile Pixels Glance Pro (OLED)

# GLANCE Pro

## A Portable OLED Monitor Full Of Possibilities

The Glance Pro is an advanced portable monitor with 15.6-inch OLED full HD touch screen monitor display, dual speakers, internal battery and touch panel, which is perfect for designers, photographers, video editors and any other.

## A Screen You Will Love

With a 1920x1080 full HD OLED touchscreen DCI-P3 100% color gamut and 400 nits high brightness, GLANCE Pro OLED portable monitor can bring every frame alive and restore true colors for you.

## Exceptional contrast

The OLED touchscreen contrast ratio is up to 100000:1, 100 times beyond the traditional LCD screen, delivers ultra-sharp image detail.

# Great For Entertainment

Dual speakers design and 5000mAh large capacity internal battery allow you to enjoy endless entertainment and keep the fun going anywhere on your 15.6 inch monitor screen.

## Keep Playing & Charging At The Same Time.

GLANCE Pro features two full-functional USB-C ports and one Mini-HDMI port. which can support power delivery and video transmission at the same time. Simply plug into the USB-C port over a single cable to display content from your devices onto an HD touchscreen monitor.
