Product Marketing

SMARTIES® Mini Eggs are filled with smooth milk chocolate and are a colourful and tasty treat. A novel chocolate treat for Springtime!
SMARTIES® were originally named 'Chocolate Dragée' when we first started making them in Rowntrees in York around 1882 - before being renamed Chocolate Beans, then finally SMARTIES® in 1937. SMARTIES® contain a creamy milk chocolate centre with a crispy sugar shell that has been at the heart of SMARTIES® for nearly 80 years! SMARTIES® are available in a mixture of 8 different coloured shells - covering red, yellow, green, blue, violet, pink, brown and orange. Unique to the UK only, the orange SMARTIES are the only colour to contain a flavour - with the shell infused with natural orange oil. Since 2006, SMARTIES® have been free from artificial colours, flavours and preservatives. Available in a variety of formats, SMARTIES® can be found in tubes, bars, blocks, cartons and sharing bags - there is something for everyone to enjoy and make their favourite! The original colourful confectionery - tasty treats of smooth milk chocolate covered in a colourful crisp sugar shell.
SMARTIES® is all part of the Nestle Cocoa Plan, which works with UTZ to ensure a better future for cocoa farmers and even better chocolate for you.
