Brand Marketing

Our iconic Italian Sparkling Drinks have been crafted with quality since 1932. Our winning recipe for a top drinking experience always begins with careful selection of the highest-quality Mediterranean fruits. We have long-standing relationships with many of our partner farms, where the fruits are harvested by hand, and their juices extracted in facilities located in the same region to capture all their delicious goodness. All our canned sparking drinks come in fully recyclable aluminium cans.

Sanpellegrino Italian Sparkling drinks are best served chilled, either on their own or as a mixer for cocktails and mocktails.
