

## EPOS EDU 10

### - A plug-and-play headset for K-12 and elementary students

The EDU 10 provides key learning advantages for students in hybrid and virtual settings. With plug-and-play simplicity and a noise canceling microphone, students can confidently participate in classroom activities with speech clarity and rich stereo sound.

#### What elementary students need

##### **Simplicity and ease of use**

Complicated equipment set ups cause unnecessary delays to the smooth running of online class schedules. Headsets should provide plug-and-play simplicity

##### **Maximum comfort**

It can be challenging for students to stay focused in virtual settings. Having easily transportable and comfortable headsets promotes classroom participation from any setting

##### **Durability and value for money**

Students require headsets that can withstand frequent use, while providing excellent value for money

##### **Quality audio that boosts online engagement**

Where physical contact is limited, quality sound is the single most important contributor to building strong learning communities and improving student/teacher connections

##### **Multiple-platform compatibility**

Compatibility with all major UC platforms and devices levels the playing field for online learning

#### What the EDU 10 delivers

##### **Single 3.5mm jack**

Provides plug-and-play simplicity across devices

##### **Lightweight, adjustable headband**

Designed for all-day wearing and comfort

##### **Unidirectional noise-canceling microphone**

Ensures clear communication and understanding, free from background noise and distractions

##### **Double-sided earpiece design**

Provides rich stereo sound for full concentration in group sessions or when working independently

##### **Certified for Chromebook**

Certified for Chromebook and works with PC, Mac® and tablet devices

##### **EPOS 2-year warranty**

Designed to withstand frequent use and wear and tear

**EPOS EDU 10**

**Logitech H111**

**Andrea Communications EDU-175**

**HamiltonBuhl MS2G-AMV**

**Yexatel Y609DUC**
