GMO's

Twinings maintain controls to ensure that no products contain Genetically Modified Organisms (GMOs) or any ingredients which have been irradiated.

Allergens

Twinings exclude ingredients that would require precautionary labelling of the current known major allergens as detailed in Regulation (EU) No 1169/2011 of 25th October 2011 and any subsequent amendments, which could cause adverse health conditions in sensitive individuals. Additionally all raw ingredients used do not include any colours or flavour enhancers.
