

Polaroid Go Instant Camera Generation 2

polaroid

Polaroid Polaroid Go Generation 2 Black

Capture life on the Go. The Polaroid Go instant camera is your most portable, wearable, take anywhere-able creative sidekick. The world's smallest instant camera comes with a selfie mirror, self-timer, double exposure, and can be paired with its very own teeny tiny color filters. It's the classic design-except way smaller. Compatible with Polaroid Go film, our smallest Polaroid instant film format.

- Depth: 615 MM
- The smallest instant camera in the world
- Selfie mirror
- Improved Firmware for better pictures
- Works with our smallest Polaroid film
- Height: 105 MM
- Width: 839 MM
