HyFlex®

ADVANCED MECHANICAL PROTECTION

48-102

Comfort and protection for lightweight applications

Previously known as: Sensilite

Multi Purpose | Light Duty

Dexterous, durable light-duty work gloves, ensuring superb comfort for intricate handling

- **Elevated comfort:** HyFlex® 48-102 industrial gloves are designed with fine, stretchable stitches, granting wearers outstanding comfort
- **Augmented dexterity:** These light-duty gloves also feature a thin liner and coating design, delivering heightened levels of dexterity and flexibility and facilitating more intricate handling
- **Improved durability:** Their robust palm-dipped polyurethane coating results in highly abrasion-resistance gloves that satisfy EN level 4 abrasion resistance standards
- **Reduced replacement costs:** Low-linting by design, these safety gloves boast a longer wear life, making for fewer glove replacements and related costs over time

Industries
